Description

Both guns shown are sold as a pair, the crucial information is listed below.

2016 was the date of manufacture on this pair, These are steel shot proof, 30" Barrels, with ejectors.

They do have an Automatic safety, something we could look at altering complimentary if it was something you didn't want.

The length of pull is 15" again this could be easily shortened by switching recoil pads.

Like I say both are fixed choke

No.1 LHB is half/modified RHB is improved cylinder

No.2 LHB is half/modified RHB is improved cylinder

As with all licensable goods on this site, you can reserve this item online, but will have to come to the shop in person, with a valid Drivers, Firearms or Shotgun Licence depending on product you are buying, in order to collect it, or alternatively organise a transfer to your local RFD (cost available by request)
