## Description

C1790 English Form Flintlock Blunderbuss Traveling / Overcoat Pistol With Cannon Barrel. Sn 21572:1 - 21572:1

This is a blunderbuss flintlock pistol in English form made C1790. It is 8" overall with a 3 3/4" cannon barrel. The flared muzzle is approx. 3/4" diameter. The barrel's smooth bore has staining & residue consistent with age and use. It has its original undamaged walnut full stock inlaid with steel fittings including trigger guard with acanthus bud finial, stock plate, ram rod flutes and butt plate. The action works as it should. There are no visible external maker marks or black powder proofs. It is complete with small wood ram rod which has a brass end cap. The price for this blunderbuss flintlock pistol includes UK delivery. NB As an antique flintlock pistol no licence is required to own this item in the UK if retained as a part of a collection or display. Sn 21572:1
